Dear Mr. Dinh

I must really say a big thank you to you as I can find the published patent applications on USPTO website.

I had find a mark "f" which shown the two doors indicated by the a dotted line are deleted in the drawing of Fig. 1 & 4, but the cancellation was unknown to me and it will spoil the essential parts of my patent as they are very important in the original design. ( see attach )

Therefore, I had to request originally of My Patent application agent to explain about it with you as they bear part of the blame for the cancellation.

Thank you for your Kind attention.

Sincerely yours,

Zhen-Man Lin

Claiming priority from Chinese Patent Application

Filing date: 12/31/2001

Dear Mr. Dinh

I am the above applicant, it is a pity that I don't understand why the lawyer rejects the desire of the patent applicant to correct the patent application, and the amendment made by the lawyer has erroneously rendered the patent application useless. Now the deadline for the defense is near, but the lawyer again rejects my justifiable request for the lawyer to review the amendment. The lawyer violated the Professional Ethics Rules! Under such suspense, I have to send a registered mail, according to 37 CFR 1.312, to submit to you the files concerning application amendment and defense. I beg you to admit my files and I will, the soonest possible, invite a dutiful American lawyer to handle my case.

I beg dear Mr. Dinh to admit my files sent by email or by plain mail, and please inform me of relevant expenses!

Kind attention.

Sincerely yours,

Zhen-Man Lin

Dear Mr. Dinh

I am the above applicant, We are studying and will file response through Rabin & Berdo P.C. as soon by our Patent application agent .

However, we have one question and feel confused. That is, we can not find the above application by searching published patent applications on USPTO website. Since the projected publication date shown in official receipt is August 29, 2002, we would like to confirm if there is anything delaying the publication. Therefore, could you please kindly check the status and tell us when will the above application be published? Thank you very much for your assistance.

My Patent application agent had same above to inquire on Sep.27,2002, we look forward to hearing from you as soon as possible. Thank you for your Kind attention.

Sincerely yours,

Zhen-Man Lin
